CLEAN & POLISH LISTO

Description:

It's a creamy water-based product that makes a double action: cleans and restores the polish on marble, granite, natural stones; its revolutionary formula guarantees a quick removal of dirt and gives a mirror-finish sheen without damaging the original polish of the material and without using solvents. LISTO is ideal for cleaning and restoring polish on tables, tops, windowsills, walls, gravestones, furniture objects.

Technical Characteristics:

Appearance	creamy liquid
Color	whitish
Odor	characteristic perfume
Specific gravity at 20°C	1,05±0,02
Hydro-solubility	soluble at every ratio
PH	8,2±0,2
Biodegradability	
Shelf life at 20° C (68° F)	

Instruction for Use:

Lay a light layer of LISTO with the special sponge on the surface to be treated, rubbing gently. Remove the excess with the enclosed cloth and let dry (10 minutes almost). Pass with a dry, clean cloth to polish.

It is suggested to do a test before use.

Suggestion for Use:

Application on surfaces:

Marble, granite, gres and every natural stone.

Safety procedures:

As far as the proper working procedures is concerned, we recommend to consult Material Safety Data Sheets issued according to E.U. rules and to follow your national laws concerning safety in the working place.

Coverage: Yield: With 1 kg of product, coverage is 50 m² of less absorbant material.

Packing:

Kit is composed of: 1 tin of 0,250 kg + 1 applicator sponge + 2 polishing clothes

Our packing is conformed as per U.N. rules for inland transport (A.D.R.) and by sea (I.M.O.) for transportation via air refer to updated rules (I.A.T.A.). For further information regarding transport please check MSDS.
